

Jenny's Jungle: The Snake

Jenny meets a snake that is more than just a snake, but a snake and... an ampersnake. A snake that is a viper and a constrictor.

Characters:

Jenny: Animal Expert Host of Jenny's JungleExplorer

Sandy the Ampersnake. A snake that is both Venomous AND a Constrictor.

Jingle (sort of like Brian Fellow – Safari Planet): Jenny's Jungle! Jenny's Jungle!

Narrator: Jenny is a self-proclaimed animal expert who spends her time watching funny animal videos on youtube. Now she's going to share her animal love with you!

Jingle (sort of like Brian Fellow – Safari Planet): Jenny's Jungle! Jenny's Jungle!

Narrator: Today's Episode:(forboding) The SNAKE!

Jenny: Hello everyone, it's great to be back in the jungles of Gosptopia. This Summer at VBS I met an elephant, a lion, a kangaroo, **and** a sheep. I wonder what type of animal we will meet today. As you know I love almost all types of animals, but there is one that wierds me out. I hope we do'nt run into a....

Ampersnake: SSSSalutations Ssstranger.

Jenny (to the audience), Snakes. Why did it have to be snakes?

Ampersnake: Ssso sssorry to ssscure you, I was jusssst ssslithering by and I thought I would sstop by to ssay high.

Jenny: Oh, well that is really nice of you. I always assumed snakes were not slimy **and** scary.

Ampersnake: Well, Jenny. You should never asssssume sssomething about sssomeone, no matter how ssslimmy **and** ssscary they look.

Jenny: That is really great advice, Mr. Snake.

Ampersnake: Please, call me SSSSandy.

Jenny: Well then, SSSandy, can I ask you one question?

Ampersnake: Yesss, or courssssse.

Jenny: Are you poisonous?

Ampersnake: That's a sssilly quesstions. (subtle maniacal laugh, Jenny laughs nervously too). Of course I'm not poisssionoussss.

Jenny: That's great!

Ampersnake: Ssnakessss are venomousssss, not poissssonousssss!

Jenny: Oh, great... wait what?

Ampersnake: You have nothing to fear Jenny. I am the rare amperssssnake. Which means I am both venomous **and** consstrictor.

Jenny: What does that mean?

Ampersnake: Well, that meanssss that my fangsss contain venom, which I can use to paralyssssse my prey **and** i can wrap myself around my prey to sssqueeze the life from them.

Jenny: Oh, I see.

Ampersnake: So I can bite AND squeeze my food before I eat it.

Jenny: Wow, you can do both, bite AND squeeze?

Ampersnake: Why yesssss. While that is unique to ussss ampersnakessss. Many creatures can do simultaneous things. Can you jump AND pat your head?

Jenny: I think so. (she jumps and pats). Yes! Yes! I can!

Amperstake: Can you shake your head **and** count to five.

Jenny: (she starts to shake her head) One, two, three four, five. (Stops). Done and Done!

Ampersnake: Can you believe in Jessussss **and** love otherssss?

Jenny: Well, of course! That's what today's service service is all about, God asks us all to believe in Jesus AND Love others.

Ampersnake: You are sssso right Jenny. Can you ssspeak sspanishhhh, AND ssswim in a ccircle.

Jenny: Hmm, Actually no. I don't think I can do that.

Ampersnake: Well, not everyone is as talented as we ampersnakes! How about, can you close your eyes **AND** a hug a friend?

Jenny: Of course Sandy, I could use a good hug. (She starts to go in for a hug). Wait... is it safe to get a hug from an ampersnake.

Ampersnake: Oh, of coursssse not. I am a very dangerousssss sssserpent.

Jenny: (she backs up) Oh, well, maybe I should go check on my friend Sam the Sheep, he gets lost all the time.

Ampersnake: Thatsssss a great idea. Maybe I can come with you. Ssssam sssssoundsssss tassssty!

Jenny: That's sounds great. I think that's him over there.

Jenny points in one direction and Sandy looks She then runs off in the other direction.

Ampersnake: It lookssss like dinners run out on me. SSsso much for fassst food!
